

**CLINTON BOARD OF EDUCATION**

Board of Education members serve as elected town officials, but have a role as agents of the state. The Connecticut General Statutes directs Boards of Education to maintain good public elementary and secondary schools, implement the educational interests of the state, and provide other educational activities as in its judgement will best serve the interests of the school district.

The Board of Education is also charged with preparing an itemized estimate of expenses for operating the schools. In addition, there are hundreds of legal mandates, both state and federal, that must be met and funded within the budget. While too numerous to include here, a short list of those mandates include:

Transportation	Special Education Services	Curriculum Requirements
Hiring & Evaluation	Behavioral Intervention	Student Assessment
School Climate	School Safety	Professional Development
Pre-K and Birth to Three	Attendance/Truancy	Student Information
State Reporting	Magnet Tuitions	Academic Intervention
English Learner Program	Collective Bargaining/Negotiations & Contracts
